## SUMMARY

My name is Lingaraj Kurahatti, a computer science enthusiast with 3.5 years of experience in Full Stack Development. I specialize in PHP (Laravel), JavaScript, React.js, and WordPress, and I have a strong passion for building efficient, scalable applications. Additionally, I have experience in Figma and Photoshop, and I am currently expanding my knowledge with a UI/UX design course.

I am eager to bring my technical expertise and growing design skills, where I can contribute to a collaborative and innovative environment. With my well-rounded skill set and dedication to continuous learning, I am confident in my ability to excel in any role and deliver impactful results.
